

Alan November invites you attend

BLC 16

Our Building Learning Communities Conference has the reputation of being the most innovative in the world. Educators and leading thinkers gather in Boston to share exciting new ideas, learn new skills and strategies, explore emerging technology, engage in thought-provoking discussions and create an exciting community of educators for a conversation that will last throughout the year.

HOST

ALAN NOVEMBER

Founder, November Learning
Marblehead, Massachusetts

BLC offers something for everyone...

Educators from all areas and levels of education will find sessions to attend that are designed to focus on:

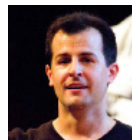

- Designing Rigorous and Motivating Assignments
- Nurturing Creativity, Curiosity, Empathy and Courage
- Infusing the Common Core Across the Curriculum
- Teaching Global Communication Skills
- Crafting Vision and Managing Change
